Public Hearing Notice
Amendment to Regional Transportation Plan and TIP

The Madison Area Transportation Planning Board – An MPO will conduct a public hearing on an amendment to the Regional Transportation Plan 2050 and associated amendment to the 2020-2024 Transportation Improvement Program (TIP) for the Madison Metropolitan Area & Dane County Area. The Regional Transportation Plan (RTP) guides investments in and strategies to implement to improve the multi-modal transportation system. The TIP lists major transportation improvements anticipated to be undertaken during the next five-year period.

The hearing invites comments or concerns regarding the amendments, which would add a project recommendation to the RTP and modify an existing project in the TIP to implement Dynamic Part-Time Shoulder Use on the Beltline (USH 12/14/18/151) between Whitney Way and Interstate 39/90 by the Wisconsin Department of Transportation as explained in this memo. The attached project listing table shows the proposed funding and timeline for the Beltline project.
